

LE CREUSET

New Le Creuset Wine Accessories are a natural extension to our cookware, kitchen and dining collections, offering all you need for home entertaining.

Each Le Creuset Wine Accessories product encompasses stylish design and essential features required to carry out the key 'Wine Rituals' with ease and finesse **Cooling, Opening, Serving, Preserving**. It all began with the Original Classic Table Model, the first ever self-pulling corkscrew. From its perfectly shaped Teflon[®] coated screw, **designed to glide smoothly** through even the toughest corks, to its comfortable, **ergonomic design**, it ensures that every bottle of wine is opened effortlessly every time. Each Wine Accessories product is designed to meet exacting standards of quality, durability and ease of use. No other company is able to offer such a complete range of wine accessories at such a high quality and proven design.
